

AUDU JOSIAH

FRONT END WEB DEVELOPER

+243 8120-1974-44 | JOSIAHAUDU2012@GMAIL.COM |

BACKGROUND

I am a **front-end developer and university student at Mewar, Nigeria**, with hands-on experience building **responsive, user-friendly websites** using HTML, CSS, JavaScript, React, and Tailwind CSS. I have designed and implemented websites for organizations, businesses, and personal projects, focusing on **UI/UX, usability, and functionality**. I am eager to contribute to front-end development teams and continue growing professionally through practical, real-world projects.

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE

Mewar International University, Nigeria, 2023–2027

- Focused on **front-end development, software engineering, and AI fundamentals**, complemented by online courses such as **CS50 and MIT-level programming courses**.

EXPERIENCE

WEB DEVELOPER | MIP COOPERATIVE

Designed and developed a website that showcased the cooperative's services and enabled online registration via a digital form. Delivered a **responsive, user-friendly interface** that streamlined the onboarding process.

WEB DEVELOPER | PEP RENEWABLE ENERGY

Built a website highlighting the company's products and renewable energy services. Focused on **clean design, responsive layout, and easy navigation**, enhancing online engagement and professional presentation.

FOUNDER & WEB DEVELOPER | LIORA STUDIOS

Developed the full front-end of an e-commerce website, including catalog, product pages, and shopping cart. Integrated payment gateways (Paystack) to ensure a **seamless checkout experience** for customers.

FOUNDER & WEB DEVELOPER | ITX HUB

I designed a website to display courses and allow participants to register online, focusing on **usability, responsive design, and clear navigation**.

TECHNICAL SKILLS

- **Languages & Tools:** HTML, CSS, JavaScript, React.js, Tailwind CSS, Git, API integration

- **Web Development:** Responsive web design, DOM manipulation, form handling, UI/UX best practices
- **Other:** Problem-solving, product-focused development, project planning
